

Crestline Notice of Limitation

Please be advised of the following conditions regarding the care and maintenance of your shower walls:

- **Non-Repairable Material:** The shower wall panels are irreparable if damaged. While minor cracks may be glued to prevent further damage, this does not constitute a full repair and may affect the appearance and integrity of the surface.

- **Installation Guidelines:** Any modifications or alterations made outside of our approved installation or trim instructions will:
 - Render the panels non-repairable, and
 - Void all warranty coverage.

To ensure the longevity and warranty of your shower system, please follow all provided installation and maintenance guidelines carefully.
